## INITIAL LOG ON TO THE SLC SYSTEM

Short Guideline

# INITIAL LOGIN

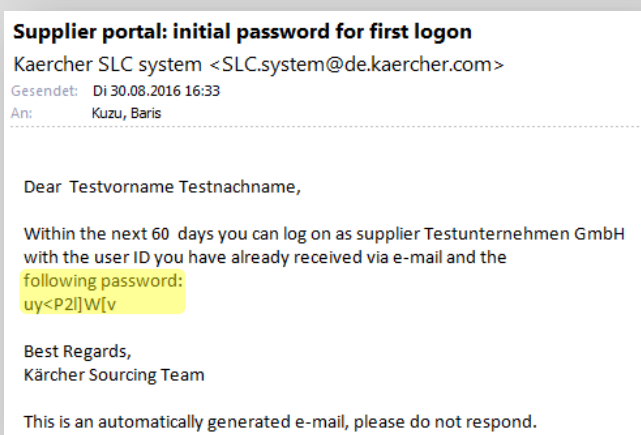

- You get **three emails** for the initial login.
- **Only the yellow marked emails** are important for you.

- In the second part of the email you can see your **initial User-ID** (for example ID TZ7TB4SST73Q) and the **link for the first login**.
- **Please note: you can use this link only once for your first login.**
- **Click on the link** to get to the logon screen.

- After that you get to the logon screen and your **User-ID** was automatically filled in the username field.
- You can find your **password** in the second mail which is yellow marked above.

- Now you must **copy** the generated password and **insert** it into the logon screen in the **password field**.
- Then **click on „sign on“**.
