

## THE RIGHT CHOICE FOR SMALL JOBS

This easily portable spray-extraction cleaner is the perfect solution for small areas.

# The right choice for small area extraction.

When you need the just-right solution for small areas and detail cleaning reach for the Priza™. The compact nature of this machine makes it perfect for tight areas and smaller jobs since it fits easily in those spaces. Even though it is a small machine, it deep cleans with authority using its 1.67 hp vac motor. Carpets dry up to 63% faster due to the superior design.

## 1 Smart design

- Sturdy couplings ensure a fixed connection and easy change out of accessories
- Integrated solution/vacuum hose
- Adjustable handle on the floor tool enables a safer grip and better ergonomics
- Removable dirty water tank
- Easy two-switch operation

## 2 Compact for small areas

- Ideal for smaller spaces such as stairways or vehicles
- Spray extraction for smaller areas and upholstery cleaning

## 3 Spray extraction performance

- Carpets dry up to 63% faster when compared with other machines
- Solution tank can be emptied by placing suction tool in the clean water tank
- Powerful vacuum motor means little residual moisture is left after cleaning
