

GLIDE YOUR WAY TO CLEAN FLOORS

Productivity is key with this ride-on scrubber.

Increase your scrubbing productivity with this ride-on machine.

Glide your way to clean floors with the Saber Glide ride-on scrubber. This series was created to make the people who work with the machine more productive. From the person responsible for scrubbing the floors to the person responsible for maintenance—everyone that utilizes this machine will appreciate the thoughtful details we put into it. To help you choose the most productive rider for your facility, the Saber Glide is available in 28 or 32 inch widths.

1 Easy to maintain

- Simple daily maintenance or service operations increase productivity
- Brushes or pads can easily be accessed for replacement or clean-up
- Filter can be removed and cleaned without tools, polyester filter can be washed and reused
- Two side hoppers for easy dumping

2 Easy to use

- Intuitive control panel with all operational functions within easy reach to reduce training times and increase operator productivity
- Seat can be adjusted to suit the operator
- Design gives the operator the safety of an outstanding view of the work area

3 Aqua-Mizer™ saves chemical and water

- Extends scrubbing times between refills by using cleaning solution more efficiently
- Keeps solution in the scrubbing area longer, allowing the flow to be set at the lowest level while still providing enough solution to do the cleaning job
- Increases run-time productivity by up to 50% per tank fill up

Technical Specifications and Order Numbers.
